

Kandid, the best cartridge we've ever made

Tech spec:

- Cartridge type: Low output moving coil
- Stylus and cantilever: Slot mounted, 3um x 70um nude line contact diamond in boron cantilever
- Vertical tracking angle: 20 degrees
- Tracking force: 1.72g - 1.77g (1.75g preferred)
- Pin connection type: Flying wire with termination clips
- Recommended load: 70Ω ~ 1kΩ (determine optimum by listening)
- Separation at 1kHz: Better than 35 dB
- Channel balance at 1 kHz: +/- 0.5 dB
- Output at 1 kHz @3.45 cm/s: 0.4 mv
- Weight: 5.7 g (without stylus cover)
